

# Youngstown Customer Service Office

The Ohio Bureau of Workers' Compensation offers more than 74 occupational safety, health and ergonomic courses for Ohio employees to attend. Classes are available online and held throughout the state at our regional service offices.

One of the benefits for employers with active workers' compensation coverage is there is no additional charge to register their employees for classes. The following is a list of courses available online and at the Youngstown Customer Service Office. **A listing of courses offered at our other service offices can be found in our Safety Services Catalog online at [www.bwc.ohio.gov/catalog](http://www.bwc.ohio.gov/catalog) under the education and training services section.**
